

Wilson's Creek Bus/Pick-Up Procedure

At 3:30 P.M., students will be dismissed according to the map. Teachers will remain with students at designated areas. All car riders will be waiting outside the front entrance. All bus riders will exit through the gym. There will only be one lane (closest to the school) for parents to pick up their child. For their safety, students will not be allowed to pass through cars to reach parents. Therefore, once the child is in the car, cars may filter out of the pick-up lane to the Car Exit.
