

For the safest and most effective **GYM PICK-UP** procedures, and for smoother traffic flow, **PLEASE** note and abide by the following:

- Gym door opens at 3:30 p.m.
  - Once door is open, please walk to your child for safety purposes.
  - Enter through the single doors on the east side, and exit through the double doors on the south side.
    - Please do not park on the sidewalks!
  - When exiting the parking lot, turn left on Bates, then left on Weller, right on Kingsley, left on Warmwater, and left on Redrex (runs on north side of playground) to Fremont. (This is easier than it sounds! 😊) **Do not** attempt to exit through the car line.
  - It will help immensely if you use the same route when you come to pick up your child prior to dismissal.
- 

For the safest and most effective **CAR-LINE PICK-UP/DROP-OFF** procedures, and for smoother traffic flow, **PLEASE** note and abide by the following:

- Please pull forward, so multiple cars can unload at once in the morning.
  - This is a drop-off line only. If you need to come in the building, please park and enter through the Diner or front doors.
    - Single line only!
  - Please do not park and allow your children to cross the parking lot.
- 

***The office is not a pick-up point after school, due to space and security.***

THANK YOU SO MUCH FOR YOUR COOPERATION, as we strive to make a safe, smooth exit for everyone! 😊
