Yes, it's that time again....the PENNY WARS ARE HERE!!

Each grade level has a penny jar.

Each penny placed in their jar counts one point.

BUT silver, bills, or gold dollars placed in their jar

takes AWAY points!

Which grade level will win?? The grade level(s) with the most points at 1:00 p.m. on Friday, January 27 will receive a party! There will be two winners – one for the most pennies raised, and one for the most money raised. Funds will go toward facility improvements, technology and supplies.

Teachers are using this fun activity to facilitate learning in the classroom with such activities as graphing, predicting, strategizing, math facts, etc.

Students receive regular updates on who's ahead, and really enjoy watching and participating in the fun, while helping their school. Thanks for your support!!

Thank you to Club Z In-Home Tutoring Services for supporting Disney PTA through a business membership!
