**PYP Profile Stars**

When you catch your child being the Learner Profile, fill out the Profile Star, cut along the dotted lines and send it to school with your child. We will recognize your child's profile action on Fridays and display the star in the halls of our school. If you have a picture to go with it, send that too. Additional stars will continue to be available in the Principal/Coordinator's newsletter through the school year. Thanks for being supportive, Learner Profile parents! You are the best!

*At the end of the day, ask your student, "What good questions did you ask today?" Encourage questioning and ways to find answers.*
