Dear Teachers,

Welcome back to school.

I am the PTA chairperson for RAD DAD (Reading and Dads) again this year.

If you could please set the attached form out at Meet the teacher for dad's to sign up

I would appreciate it.

Afterwards please return the form to the office and I will pick them up.

I will give you a copy for your records.

If you know your class schedule it seems to work best to assign dates and times on the form.

Every month a couple weeks before the scheduled reading time I send home a reminder with the student. I will put this in your mailbox to distribute. I've attached the forms for your review.

If a day and time have been assigned I send home the top note.

If a day and time have not been assigned the bottom form is what I send home.

Let me know if you have any questions or changes to make the program work better for you.

Here's to great year of reading,

Karen Frost
