

Did you know that we earned over \$1,400.00 for Wanda Gray last year through Box Top Collections?? This money went into our general fund help fund and support all of the programs offered by Wanda Gray PTA, in to helping with many little things around the school that have been needed in the past year, like analog clocks for all of the Kindergarten classrooms.

Thanks to all of the points collected through “Labels for Education” Wanda Gray PTA has been able to purchase for the school a large paper shredder, several CD players, and lots of equipment for Coach Graham!

Did you know that there are only two times during the school year that we can return the Box Tops for credit? One time is coming up quickly – **at the end of October**. The other collection date is at the end of February.

It’s time to start sending in your Box Tops and Campbell’s labels or lids. The websites listed below shows the labels and lids that qualify for these programs, and how to trim them if you have time.

We will be having a contest this year for which classroom can collect the most labels or Box Tops. They will then be counted, and the top classroom will get a treat party towards the end of the year, compliments of the PTA!

You can e mail lyndsaypeck@gmail.com at any time with questions! Thanks for your support of Wanda Gray!
