## Purposes

The purposes of the Wanda Gray PTA, in common with those of the National PTA and Missouri PTA, are:

- 1) to promote the welfare of children in home, school & community;
- 2) to raise the standards of home life;
- 3) to secure adequate laws for the care and protection of children;
- 4) to bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the education of children;
- 5) to develop between educators and the general public such united efforts as will secure for all children the highest advantages in physical, mental, social, and spiritual education.

These purposes are promoted through an advocacy and educational program directed towards parents, teachers, and the general public; are developed through conferences, committees, projects, and programs.
