

Library Services

Mission

Raise student achievement and develop information literacy in order to build 21st century capabilities.

Vision

An exemplary Library Services team:

1. Promotes reading for information gathering and pleasure
2. Collaborates with the educational community to support the curriculum
3. Selects, acquires, and maintains quality resources in a variety of formats
4. Teaches all members of the learning community skills that will help them locate, use, and apply information
5. Provides professional development to teachers by modeling, coaching, and presenting workshops that will help teachers be more successful at developing 21st century capabilities in students
6. Serves as a model in the use of educational technology to all members of the learning community

Collective Commitments

To accomplish our vision, we will:

1. Create a climate of excellent customer service (1, 2, 3, 4, 5, 6)
2. Develop positive relationships with students, teachers, administrators, and other members of the educational community (1, 2, 4, 5, 6)
3. Consistently collaborate to review, refine, and share our work and ideas (2, 4, 5, 6)
4. Listen to make informed decisions (1, 2, 3, 5)
5. Model and support best practices in both teaching and library administration (1, 2, 3, 4, 5, 6)
6. Model and support innovation (3, 4, 5, 6)
