

Kickapoo High School Traffic Flow Guide

Traffic flow reminders:

- If approaching Kickapoo on Primrose from Campbell, please turn left (north) at the light at Jefferson and enter the west parking lot in front of the building, or proceed to the entrance adjacent to the football practice field to drop your student on the east side of the building;
- If approaching Kickapoo on Primrose from Campbell, please **do not** continue on through the light and attempt to turn left into the entrance closest to the soccer fields, as this ties up traffic from the east unnecessarily;
- If approaching Kickapoo on Jefferson (from either direction), proceed to the first drive in front of the school, or to the entrance between the school and the practice football field to enter the east lot;
- If approaching Kickapoo on Primrose from National, please turn right (north) into the first (eastern most) parking lot entrance next to the soccer fields and exit to Jefferson between the school and the football practice field;
- Please use only right turns when exiting Kickapoo parking lots.
