

Riegert Report

ssriegert@spsmail.org

4/6/12

MAP: As you know, we are starting the third grade map test on Tuesday, April 10th. We have been working very hard at school preparing for it. A note went home regarding volunteering to send healthy snacks for the kids to have between sessions. If you can do so, we would appreciate it greatly. Please make sure you have read that peach colored note that your child brought home a few days ago.

Saturday, April 14 is a 5K walk/run or a kid' mile obstacle course and toy drive for St. Jude's Children's Research Hospital. I will be walking the 5K and hope my third graders and YOU will come walk with me.

Next Friday, the 13th is our lucky day! We will finish up the MAP AND there is a 3rd to 5th grade dance party beginning right after school until 5:00. A flyer is in the backpack.

SPELLING

We will resume our regular spelling schedule the week after the MAP
