

Dear Pleasant View Parents,

The Foundation for Springfield Public Schools recently awarded its annual Back to School grants throughout the school district. Over the past 9 years the Foundation has distributed over \$1 million in grants to classrooms across Springfield. This grant program provides funding for special classroom projects, technology, and equipment that help our teachers provide amazing learning opportunities for the students in our classrooms.

I am especially excited this year because Pleasant View received 1 classroom grant and a School Improvement Plan (SIP) grant!

- Julie Mahaffey received \$1,764 for Playaway Your Reading Struggles to purchase playaway digital books.
- Pleasant View will also receive a School Improvement Plan (SIP) grant funded at \$2 per student to help our schools meet its School Improvement Plans.

I would like to extend my thanks to the Foundation for Springfield Public Schools. These funds will certainly help enrich your child's education.

If you are interested in learning more about the Foundation or would like to make a contribution to it's Back to School grant program visit the Foundation's website at www.foundation4sps.org.

Sincerely,
Julie Steiger
Principal
